U.S. Figure Skating Safesport Requirements for Volunteers

Earlier this year, U.S. Figure Skating announced it has expanded the list of adults required to complete Safesport training and background checks for the 2018-19 membership year. This will affect members and volunteers, over the age of 18, who are in a position of authority over an athlete or anyone who has frequent contact with athletes.

FSCO General Safety Guidelines and Etiquette

Figure Skating Club of Omaha is committed to creating a safe and positive environment for members' physical, emotional and social development and ensuring that it promotes an environment free of misconduct. This Skater Code of Conduct has been established to ensure the safety of all members using our ice to ensure quality practice time for all home club, associate, non-members, and guests who purchase ice from the club and who participate in all club-related activities.

1. All skaters, regardless of whether they hold home club, associate, non-member, or guest status, must follow and uphold the provisions in this Skater Code of Conduct regarding behavior on and off the ice. All club members are expected to

exhibit good sportsmanship and be courteous toward their fellow skaters, coaches, parents/guardians, US Figure Skating officials, and guests.

2. FSCO is committed to promoting a positive and friendly environment for all skaters. Remember the "Golden Rule" - treat other people like you want to be treated - with respect.

Ice Etiquette and Safety

1. Skaters must sign in and pay for each session before stepping on the ice.
2. Respect the rights of others, respect the arena's property, and respect the property of others.
3. While in lesson or practice, it is the skater's responsibility to always be conscientious and aware of other skaters around them. Be understanding if someone gets in your way. Look both ways before leaving the boards or crossing the ice. Avoid standing in the middle of the ice or any of the jumping corners.
4. Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly used areas for jumps and spins (for example: Lutz corners.)
5. The only time a skater has the SOLE right of way is when they are skating their program to music. When you hear another skater's music, please extend that person the courtesy and move out of their path momentarily. This only takes a moment and you will enjoy the same courtesy while you are performing your program.
6. Advanced skaters are expected to exhibit patience toward beginner members of the club. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters.

Unsafe or Discourteous Behavior

Unsafe or discourteous behavior of any kind will not be tolerated. Examples of prohibited behavior include (but are not limited to): being verbally abusive to other skaters or coaches; deliberately challenging, scaring, or blocking another skater; kicking holes, scraping, or stomping the ice or boards.

Violations and how they will be addressed

The violation of any provision of this Code will be addressed at the time it occurs by a member of the club board of directors following the procedures outline in the conflict resolution process.

First offense

Club member will be addressed verbally (in private) regarding the violation.

Second offense

The member will be removed from the activity and given a written warning. A face-to-face meeting with the member and, if a minor, the member's parent or legal guardian will be conducted.

Repeated offenses

Repeat offenses will be taken very seriously by the club board of directors. Discipline may include loss of club privileges for extended periods, and/or revocation of club membership.

In the case of egregious offenses, Club leadership is required to make a report to US Figure Skating SafeSport, local law enforcement and/or child protective services.
